Sir,

Sub: Industries - Sericulture - Government Silk Filature, Kollegal - Electrical Engineer, Panchayat Board, Kollegal - Services.

Ref: G.O. No. Ms.3326 dated 31-8-47.

In the G.O. cited Government sanctioned the continuance of the payment of an additional remuneration to the Electrical Engineer, Panchayat Board, Kollegal calculated at 1/5th of his grade pay for the work connected with the supervision of the Electrical Installation and of the Special Electrical staff in the Government Silk Filature, Kollegal.

With a view to minimising the expenditure in running the Government Silk Filature, I have asked the General Manager, Government Silk Filature, who is a qualified Electrical Engineer, to look after this work without any remuneration and he has agreed to my suggestion.

In the circumstances, the services of the Electrical Engineer, Panchayat Board will not be utilised for supervision of Electric installation and Electrical staff at the Government Silk Filature from 1-9-47 and I have issued instructions accordingly.

I request that my action may be approved.

Re cf. the D.I.R. has submitted proposals separately for the abolition of the post of General Manager, Govt. Silk Farms. In the light of that suggestion, his action in having stopped the duties of the Electrical Engineer, Kollegal Panchayat Board in the Silk Farms will appear to be ill conceived. Subject to orders, a draft order approving the proposal of the D.I.R. in the cf. is however submitted overleaf. It may now after perusal by L.A. Dept & Fin. Depts.
